

Caravan

1st Verse

**And the caravan is on it's way
I can hear the merry gypsies play
Mama, mama look at Emma Rose
She's playin' with the radio**

Chorus

La, la, la, la, la La, la, la La, la, la, la La, la, la

2nd Verse

**And the caravan is painted red and white
That means everybody's staying overnight
There's a barefoot gypsy player 'round the campfire singin' and playin'
And a woman tells us of her ways**

Chorus

La, la, la, la, la La, la, la La, la, la, la La, la, la

3rd Verse

**Turn up radio
and let me hear, song
Switch on your electric light
Then we get down to what is really wrong
I long just to hold you tight so baby
I can feel you
Sweet lady of the night
I shall reveal you
So turn it up, turn it up, little bit higher, radio
Turn it up, that's enough, so you know, it's got soul**

Chorus

La, la, la, la, la La, la, la La, la, la, la La, la, la

4th Verse

**Turn up radio
and let me hear, song
Switch on your electric light
Then we get down to what is really wrong
I long just to hold you tight so baby
I can feel you
Sweet lady of the night
I shall reveal you
So turn it up, turn it up, little bit higher, radio
Turn it up, that's enough, so you know, it's got soul
So You know.....**

Vocal improve with guitar solo to the end
