

# FINALE - I Shall Be Released

## **\*Sing on Choruses**

They say everything can be replaced, Yet every distance is not near.  
So I remember every face Of every man who put me here.

## **CHOURS**

**I see my light come shining  
From the west unto the east.  
Any day now, any day now,  
I shall be released.**

They say every man needs protection, They say every man must fall.  
Yet I swear I see my reflection Some place so high above this wall.

## **CHOURS**

**I see my light come shining  
From the west unto the east.  
Any day now, any day now,  
I shall be released.**

## **SOLO**

Standing next to me in this lonely crowd, Is a man who swears he's not to blame.  
All day long I hear him shout so loud, Crying out that he was framed.

## **CHOURS**

**I see my light come shining  
From the west unto the east.  
Any day now, any day now,  
I shall be released.**

## **CHOURS**

**I see my light come shining  
From the west unto the east.  
Any day now, any day now,  
I shall be released.**

**Any day now, any day now,  
I shall be released.**
